

PARISH ANNOUNCEMENTS

PRAYER FOR THE SICK AND DYING

Almighty and eternal God, Father of the poor, Comforter of the sick, Hope of the dying, Your love guides every moment of our lives. We raise our hearts and minds to You in prayer. We praise You for the gift of human life, and especially for the promise of eternal life. We know that You are always close to the bereaved and the poor and all those who are vulnerable and who suffer.

O God of gentleness and compassion, accept the prayers we offer on behalf of our sick brothers and sisters. Strengthen their faith and trust in You. Comfort them with Your loving presence and, if it is Your will, restore their health and give new strength to their bodies and souls.

O loving Father, bless those who are dying, bless all those who will soon come face to face with You. We believe that You have made death a doorway to eternal life.

Sustain in Your name our brothers and sisters who are at the end of their lives, and lead them safely to the home of eternal life with You.

O God, Source of all power, defend and protect those who care for the sick and care for the dying. Grant them the spirit of courage and kindness. Support them in their efforts to bring comfort and relief. Make them an even more radiant sign of Your transforming love.

Lord of life and Abbot of our hope, bestow Your abundant blessing on all those who live, work and die. Fill them with Your peace and Your grace. Show them that you are a loving Father, a God of mercy and compassion. Amen.
